

WIPCCC
WISCONSIN PRIVATE
COLLEGES CAREER
CONSORTIUM

Share Jobs & Internships with multiple WIPCCC Schools

Employers can now share their job and internship postings with multiple Wisconsin private and independent colleges through Purple Briefcase. Purple Briefcase is an online career network that helps employers, students, alumni and career staff connect. Through it, you will be able to:

- Post and manage job and internship opportunities for multiple campuses
- Register for the annual WorkForce Career & Internship Fair (held each February)
- Create a visual profile for your company that is searchable by WIPCCC students and alumni, and lets them get to know your organization better

To set-up your free account and begin posting:

- select “New Employer” on the [Purple Briefcase login page](#)
- after creating a free account, select “My Schools” -> “Request a school connection” -> and enter school code **WIPC120**
- begin posting jobs and internships by selecting the “Add a Job” tab
- register for the annual WorkForce Career & Internship Fair by selecting the “My Events” tab

Postings will be sent to each of our participating schools, where they can be accessed by students and alumni. Schools currently using Purple Briefcase include:

[Alverno College](#)

[Cardinal Stritch University](#)

[Carthage College](#)

[Edgewood College](#)

[Marian University](#)

[Milwaukee Institute of Art & Design](#)

[Mount Mary University](#)

[Ripon College](#)

[St. Norbert College](#)

[Viterbo University](#)

[Wisconsin Lutheran College](#)

Connect with individual WIPCCC Schools

Some of our schools will be switching over to Purple Briefcase later this year, or are using other job board systems. We encourage employers to connect with these schools, directly, to learn the best way to share career opportunities with their students. Use the links, below, or the [WIPCCC Career Services Directory](#), to get started.

[Beloit College](#)

[Carroll University](#)

[Concordia University](#)

[Lakeland College](#)

[Lawrence University](#)

[Marquette University](#)

[Milwaukee School of Engineering](#)

[Northland College](#)
